The purpose of the Christmas tree sale is to raise funds to support the work of Wellspring. We are a Christian youth development organization dedicated to assisting urban youth spiritually, socially, academically and economically. The event also serves as an open house, enabling the community to learn more about Wellspring's work.

The TREE SALE will be at our Community Center at 16742 Lamphere.

You'll find our Center on Lamphere, a couple blocks south of McNichols (6 Mile). Lamphere is just west of Lahser (the only traffic light on McNichols between Telegraph & Lahser).
